Box 94

Dear Mr. Nittler:

Thank you for acknowledging reception of Station WGR-TV, Channel 2, Buffalo, New York, on May 20, 1955.

We have had other reports from Arkansas, North Dakota, Texas, and California, all of these reports informed us of one and two hour reception. We find this unusual for this time of the year, so perhaps if you try us again later you may receive more than the ID.

We are always interested in receiving reports. If you should pick us up again, please let us know. Thank you again.

Very truly yours,

Karl B. Hoffman
